

User Guide for the "Crochet Store" App

The Crochet Store app allows you to browse a catalog of crochet-made products, search and view items in detail, manage your cart, place orders, and track their status. This guide explains step by step how to use all features, starting with the customer functionality, followed by the administrator features that allow managing users, products, orders, and invoices.

Customer Use

1. Main Screen – Catalog

Upon opening, you will be directed to the catalog. On this screen, you can:

- Search for products: Use the available search criteria and click on “Search” to filter the catalog by keywords and logical operators (AND, OR).
- Browse the catalog: Browse the products using pagination and the scroll bar.
- Add a product to the cart: Click on the “Add to Cart” button directly from the product list to add one unit of the product.
- View product details: Click on a product name to access a dedicated page that provides additional information.
- Access the cart: The “Cart” tab allows you to view selected items.

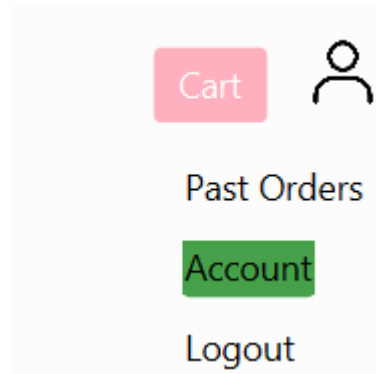

- Manage your profile: Hover over the profile icon to display several options:
 - If not logged in: The “Login” option is displayed.
 - If logged in: You can access “Past Orders,” “Account,” and “Logout.”

If not logged in :

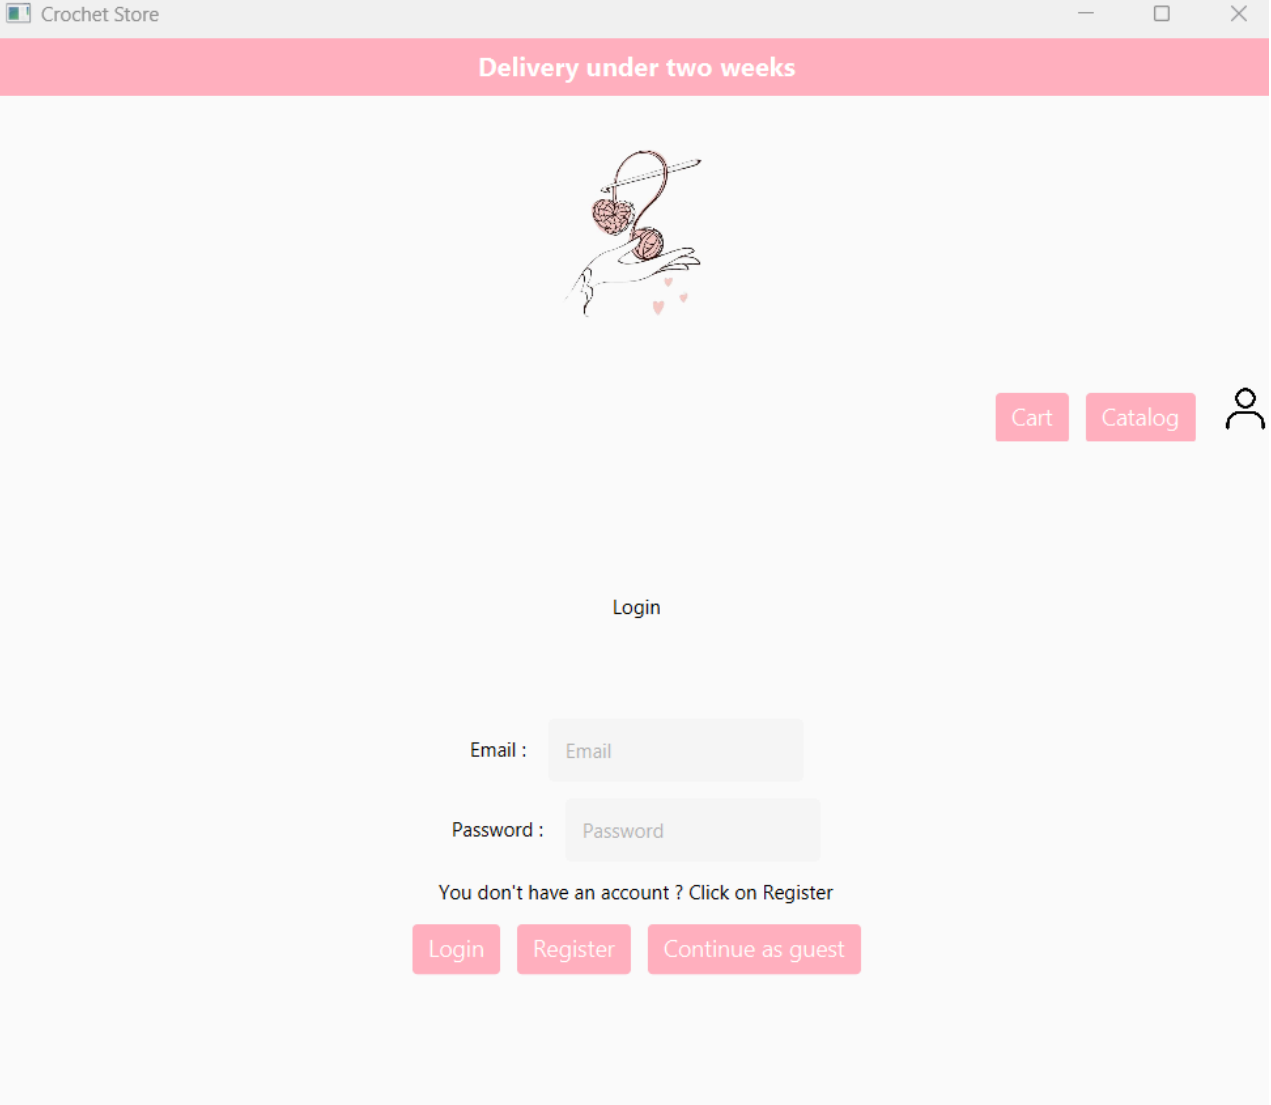

If logged in :

2. Login Screen

On this screen, you can:

- Log in: Enter your email address and password, then click “Login.”
- Browse as a guest: Click on “Continue as Guest” if you want to explore the app without creating an account.
- Create an account: If you don’t have an account, click “Register” to access the registration screen.
- Navigation: You can access the Cart or Catalog sections, and return to the login screen via the client icon.

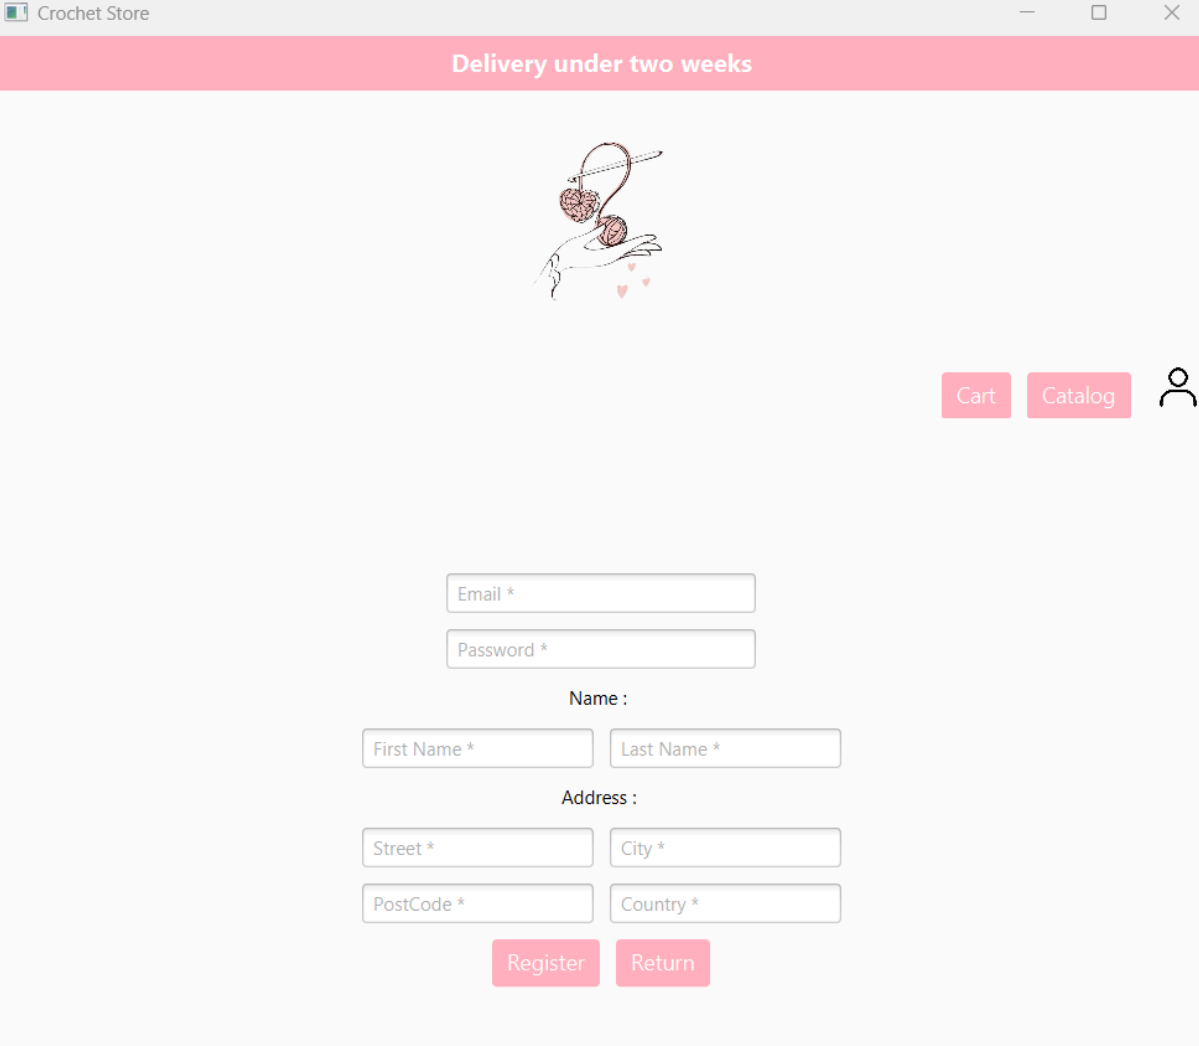

The screenshot shows a web browser window titled "Crochet Store". At the top, a pink banner reads "Delivery under two weeks". Below the banner is a central illustration of a hand holding a crochet hook and a ball of yarn, with three small red hearts floating below it. In the top right corner, there are two pink buttons labeled "Cart" and "Catalog", followed by a user profile icon. The main content area is titled "Login" and contains two input fields: "Email :" and "Password :". Below these fields is a link that says "You don't have an account ? Click on Register". At the bottom, there are three pink buttons: "Login", "Register", and "Continue as guest".

3. Register Screen

To create your account, you must provide your personal information and a password.

You can:

- Save your information: Click on “Save” to complete your registration. You will be redirected to the login screen.
- Cancel registration: The “Return” button takes you back to the login screen.
- Navigation: You can access the Cart or Catalog sections and return to the login screen via the client icon.

6. Cart Screen

On the cart screen, you can:

- View added items: All selected products are displayed with their respective quantities.
- Modify quantities:
 - Increase quantity: Within the available stock limit.
 - Decrease quantity: Reducing to zero will remove the item from the cart.
- Navigation: You can return to the catalog or view your personal information.
- Proceed to checkout: Click on “Proceed to checkout” to move to the order validation step.

7. Checkout Screen

This screen summarizes your order before final validation:

- Order summary: Check all products and associated information.
- Edit information: If necessary, update your details directly on this page.
- Navigation: Return to the cart screen or access account options via the user icon.
- Final validation: Click on “Checkout” to finalize your order.

8. Billing

After order validation:

- Download invoice: Click on “Download Invoice” to generate and save your invoice. The file explorer will open for you to choose the save location.
- Post-billing navigation: Use “Return to catalog” to go back to the catalog, or click on the user icon to access your information.

- Invoice Format : The generated invoice follows the format outlined below:

Invoice No. 4

Crochet Store

Marie Probert
21 rue des Lilas
92100 Montreuil
France

Order No.: 4
Client No.: 3
Invoice Date: 2025-02-10

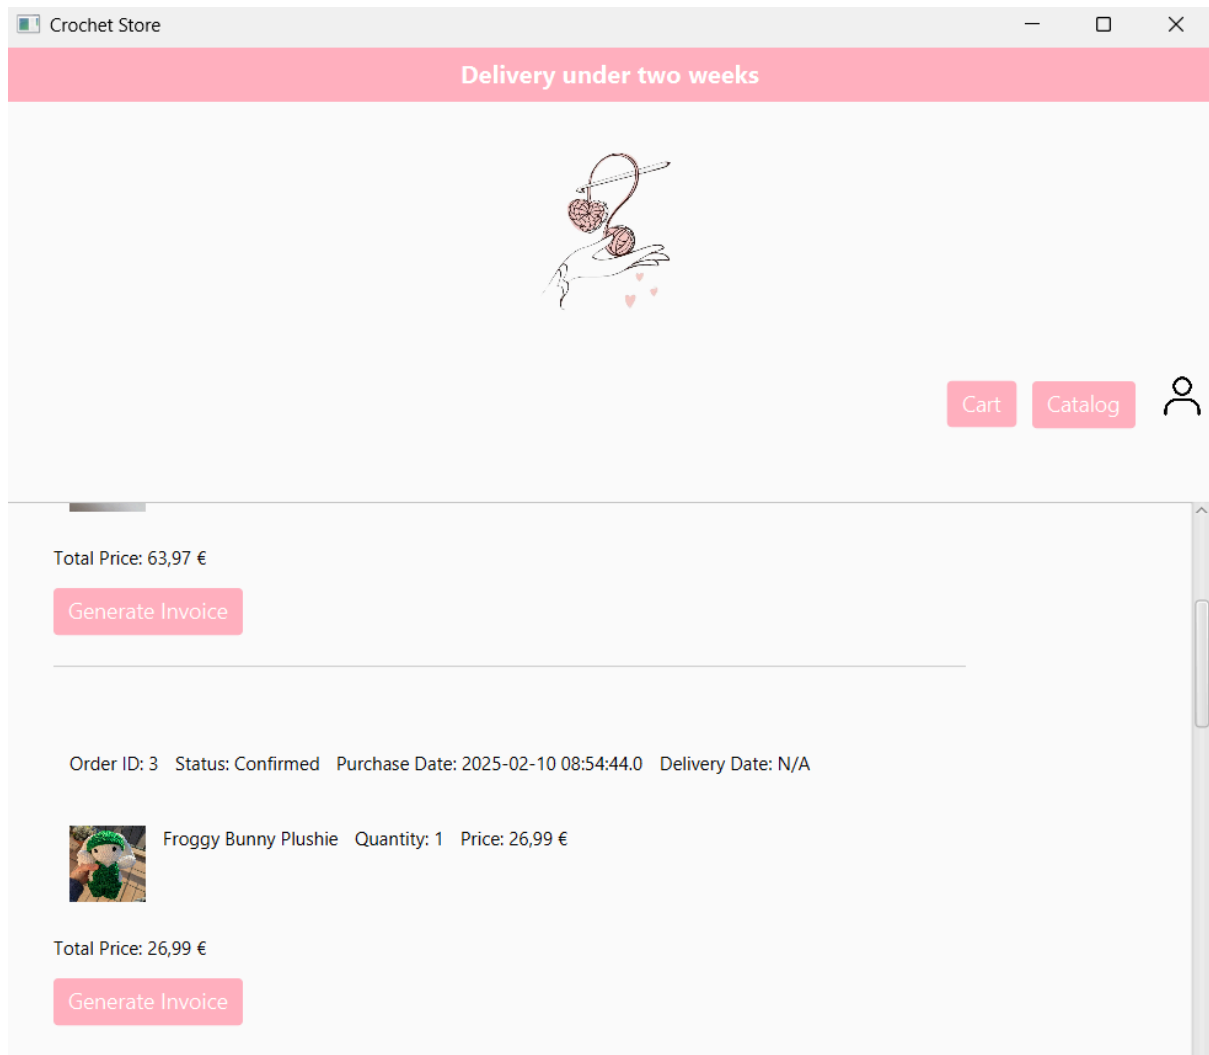

Product	Quantity	Unit Price	Total Price
Froggy Bunny Plushie	1	26,99 €	26,99 €

Order Total: 26,99 €

9. Past Orders

From the user icon, click on “Past Orders” to:

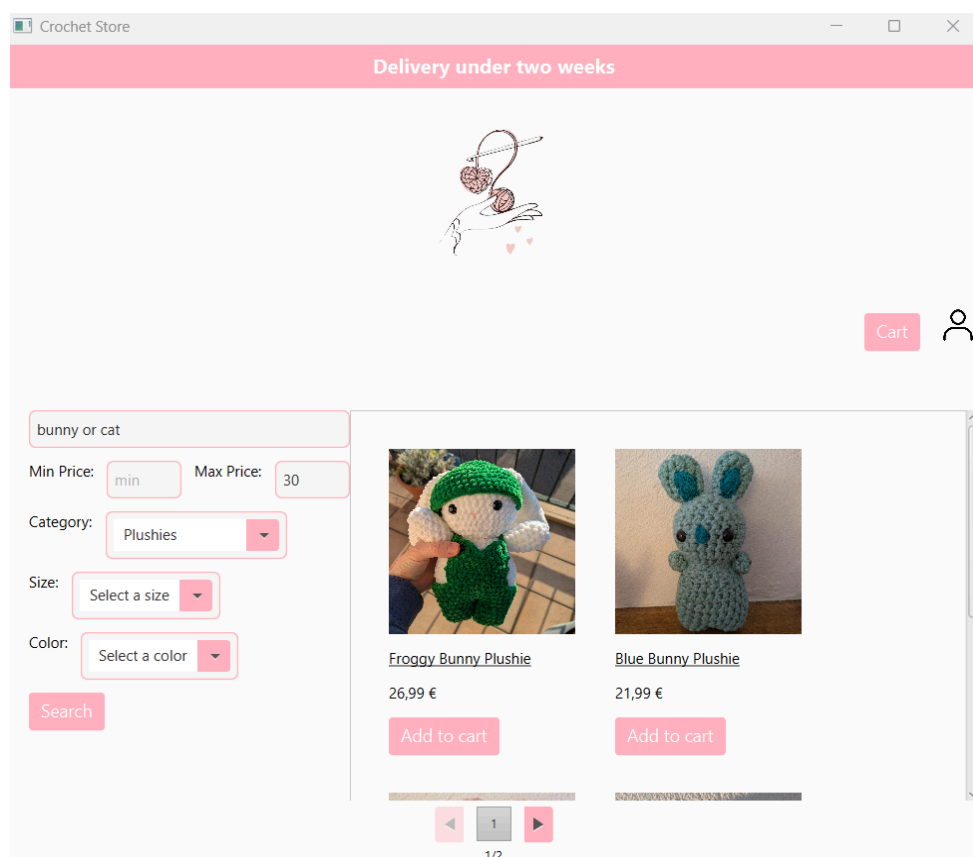

- View previous orders: See details of each order along with their status (in progress, confirmed, delivered) to track their progress.
- Download invoice: Click on “Generate Invoice” to generate and save your invoice. The file explorer will open for you to choose the save location.

Administrator Use:

1. Access to Catalog

- Opening the app: Upon opening, the catalog interface displays, the same as seen by customers.
- Login as administrator: To access the administrator mode, hover over the user icon and click on “Login.”

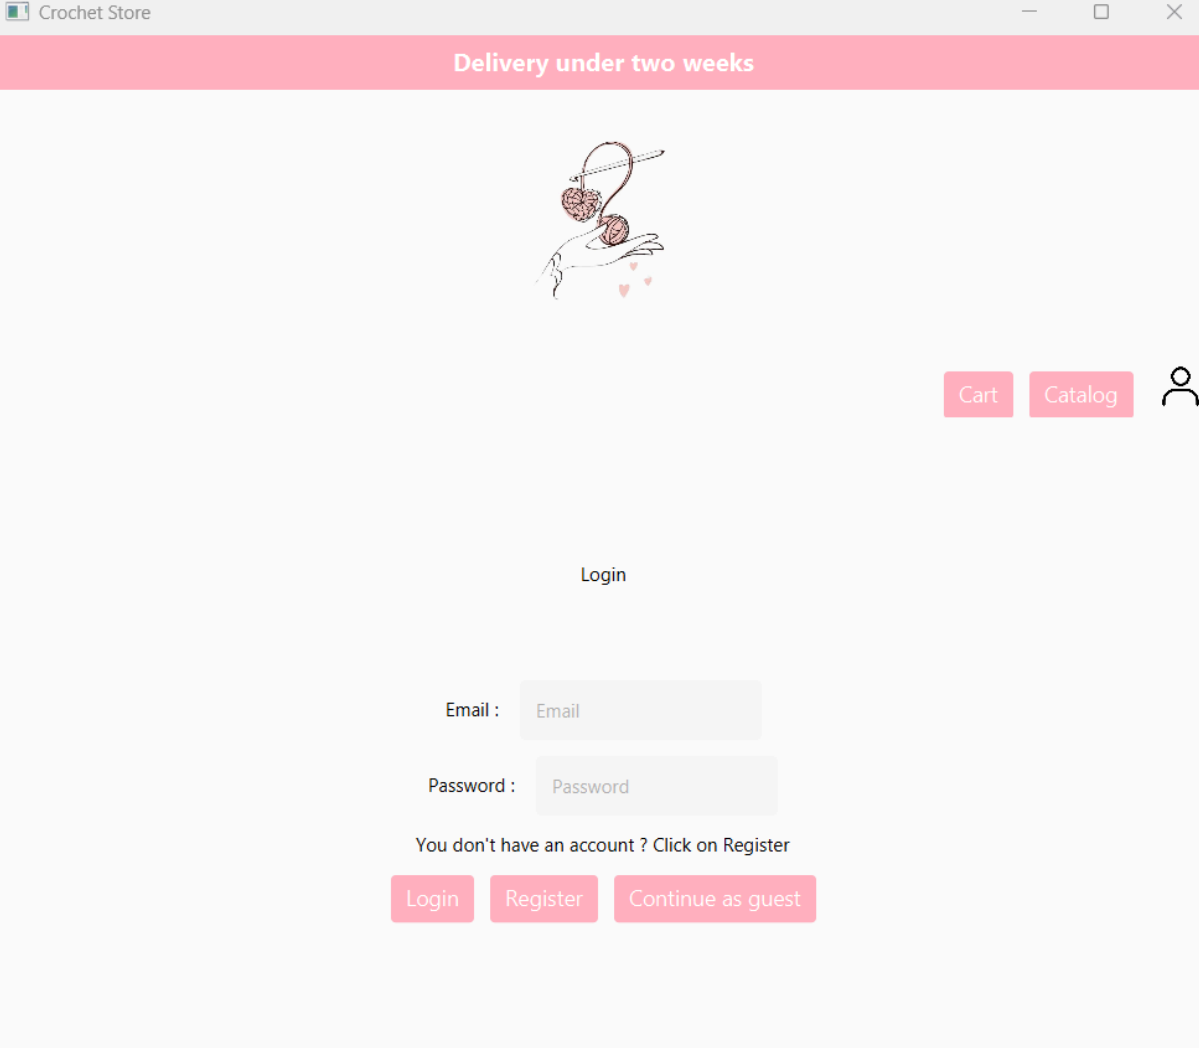

2. Login Screen

On this screen, you can:

- Log in: Enter your email address and password, then click “Login” to access the administrator interface.

Note: Creating an administrator account via “Register” is not possible.

At the bottom, there are three pink buttons: "Login", "Register", and "Continue as guest".

3. Administrator Menu

Once logged in, the administrator menu displays and offers quick access to various management pages:

- User Management: Access to manage users.
- Product Management: Access to manage the catalog and products.
- Order Management: Access to manage orders and billing.

Additionally, hovering over the user icon allows access to the “Account” page to view personal information or log out via “Logout.”

4. Administrator Information Screen

By clicking on “Account” via the user icon:

- View and edit: You access a page displaying your personal information. You can modify your name and password.
- Save changes: Click on “Save” to save your changes.
- Navigation: The “Return to Menu” button allows you to go back to the administrator menu.

The screenshot shows a web browser window titled "Crochet Store". The page has a light gray background. At the top center, there is a small illustration of a hand holding a crochet hook and a ball of yarn, with three small red hearts below it. In the top right corner, there is a pink button labeled "Return to menu" and a user icon. Below these, the user's personal information is displayed in a form. The form includes labels for "Email", "Password", "Last Name", and "First Name", each followed by a text input field. The "Email" field is pre-filled with "alice.dupont@shop.com". The "Last Name" field is pre-filled with "Dupont". The "First Name" field is pre-filled with "Alice". Below the "First Name" field is a pink "Save" button.

5. User Management

On this page, you will find a summary catalog of all users. You can:

- View users: Display a summary of active users in the database.
- Modify a user: Click on “Modify” to update their information.
- Delete a user: Click on “Delete” to remove a user.
- Add a new user: Click on “Add User” to create a new user account.
- Return: Use the “Return to Menu” button to go back to the main menu.

When you click on “Add User,” the following window opens, and you must fill in the information (the address is not required for admin):

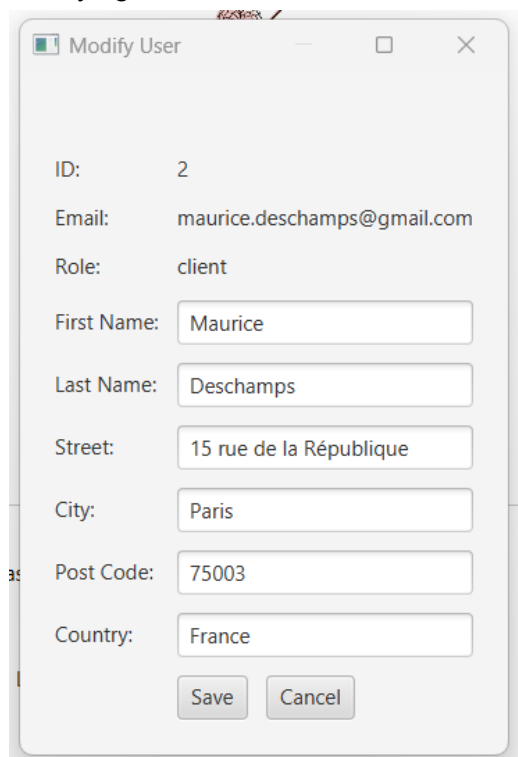

The "Add User" dialog box contains the following fields and controls:

- Email:
- Password:
- Role:
- First Name:
- Last Name:
- Street:
- City:
- Post Code:
- Country:
- Buttons: Save, Cancel

When you click on “Modify,” the following page appears:

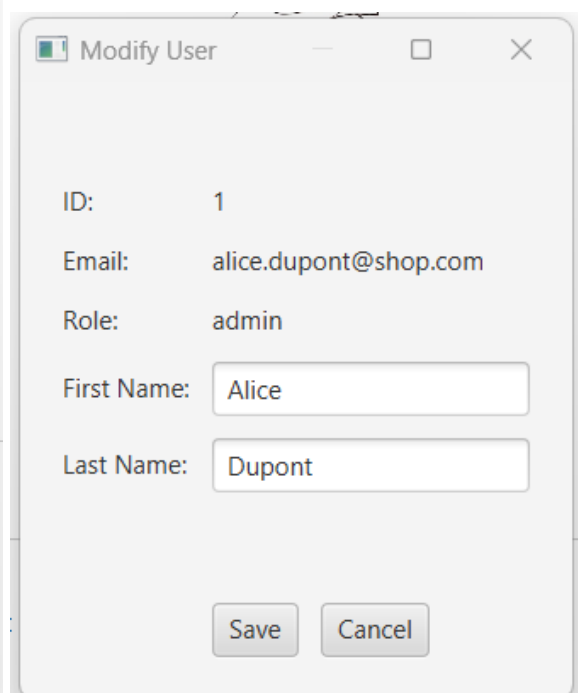

Modifying a customer :

The "Modify User" dialog box for a customer shows the following information:

- ID: 2
- Email: maurice.deschamps@gmail.com
- Role: client
- First Name:
- Last Name:
- Street:
- City:
- Post Code:
- Country:
- Buttons: Save, Cancel

Modifying an admin:

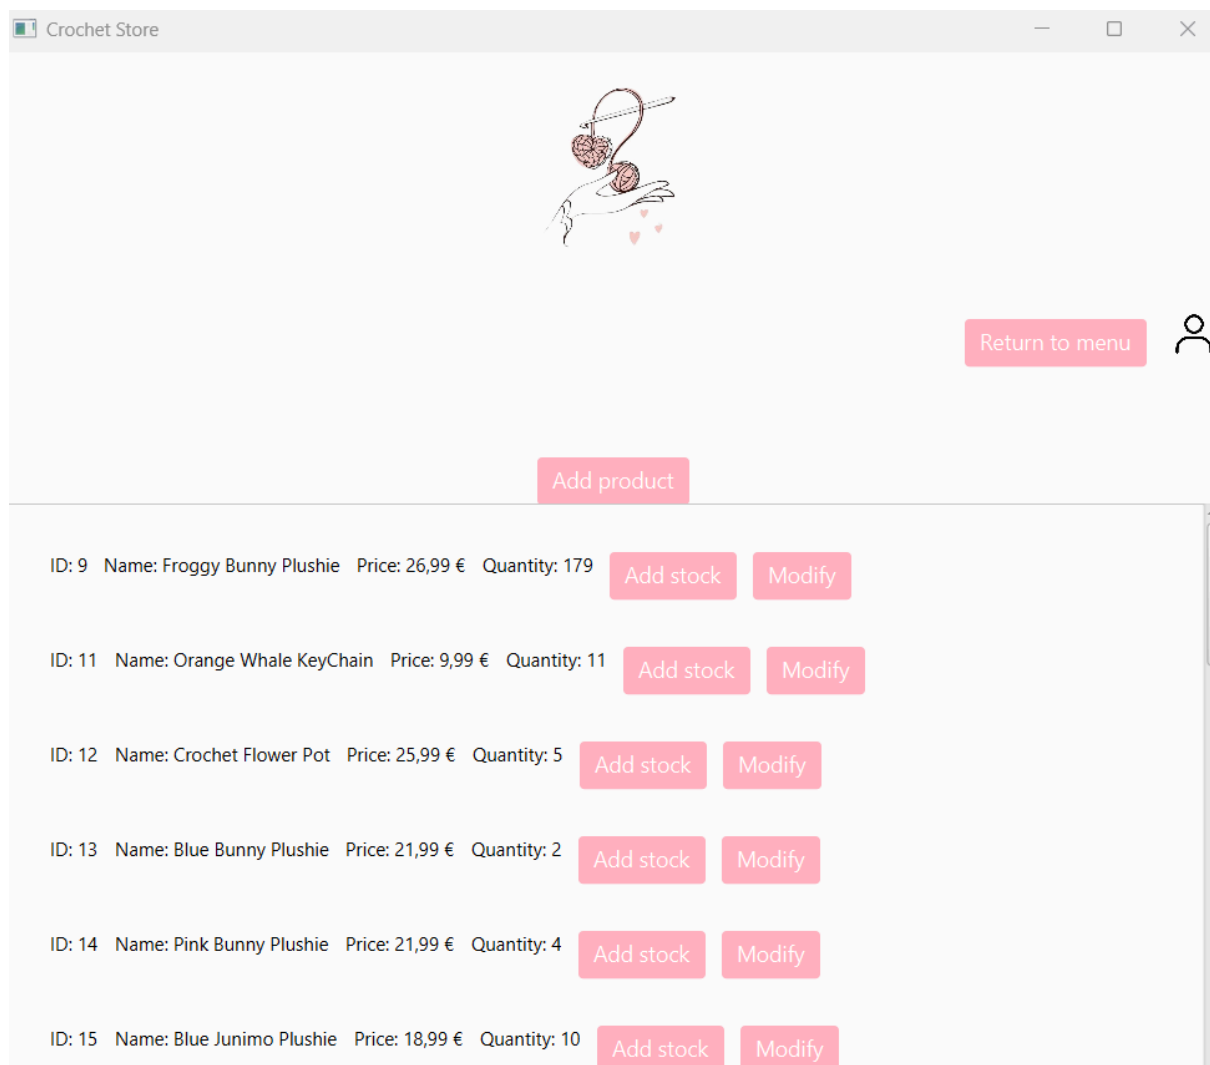

The "Modify User" dialog box for an admin shows the following information:

- ID: 1
- Email: alice.dupont@shop.com
- Role: admin
- First Name:
- Last Name:
- Buttons: Save, Cancel

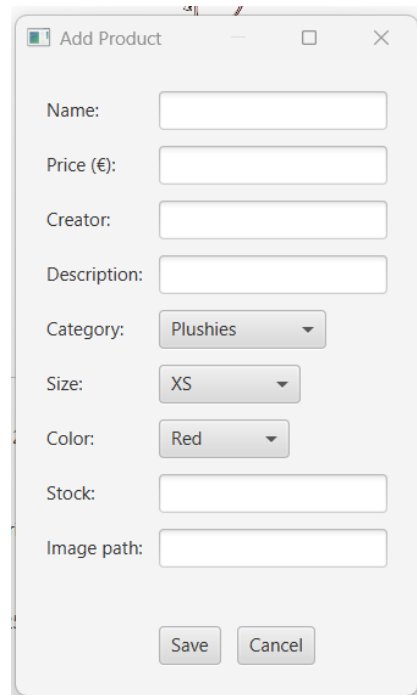

6. Product Management

This interface allows you to manage the product catalog:

- View products: Display a summary of products in the catalog.
- Modify: Click on “Modify” to access details and update a product.
- Add stock: Click on “Add Stock” to increase the available quantity of a product.
- Add a new product: Click on “Add product” to add a new item to the database.
- Return: The “Return to Menu” button allows you to quickly go back to the administrator menu.

When you click on “Add product,” the following window opens:

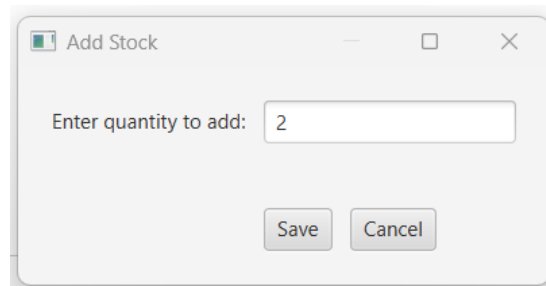

A dialog box titled "Add Product" with a standard Windows-style title bar (minimize, maximize, close buttons). It contains several input fields and dropdown menus for adding a new product. The fields are: Name (text input), Price (€) (text input), Creator (text input), Description (text input), Category (dropdown menu with "Plushies" selected), Size (dropdown menu with "XS" selected), Color (dropdown menu with "Red" selected), Stock (text input), and Image path (text input). At the bottom are "Save" and "Cancel" buttons.
